

What is PMP Certification?

- The PMP acknowledges candidates skilled at managing the people, processes, and business priorities of professional projects.
- PMI created the PMP to recognize project managers who have proven they have project leadership experience and expertise in any way of working.

Applications of PMP

What is PMI?

- Project Management Institute (PMI) is the world's leading authority on project management.
- Established in 1969
- Headquartered in Pennsylvania, USA
- Codified best practices in Project Management as **PMBOK®** guide

PMBOK®

- Project Management Body of Knowledge
- Guide that possess standards for project management
- Explains about project management processes, tools & techniques
- Published by PMI in 1996 as first edition
- Updated once in 4 year
- **Latest edition (7th)** is released during December 2021

What does PMP® certify?

- Education/knowledge of project management concepts, methodologies and techniques.
- Experience in handling projects, directing project members and achieving project results.
- Specific project management skills to apply in different stages and scenarios that may arise in a project.

Roles of a Project Management Professional

A PMP career path includes:

- Leading and directing a team to meet the company's project goals.
- Staying up-to-date with the latest and greatest technologies that are relevant to them.
- Network with people in the same niche.
- Identify potential project prospects.

Steps to Apply for the PMP Exam

1 Confirm You're Eligible

- **Four-Year College / University Degree**
 - 36 months of experience leading projects within the past eight years
 - 35 hours of project management education/training or CAPM® certification

— or —
- **High School or Secondary School Diploma**
 - 60 months of experience leading projects within the past eight years
 - 35 hours of project management education/training or CAPM® certification

2 Gather Your Info

Document your experience related to past projects and training. Below are some examples to help guide you through your documentation process:

- **Projects You've Led**
 - Where you've worked
 - Your role and responsibilities
 - Duration of projects
- **Training You've Completed**
 - Institutions attended
 - Courses completed
 - Qualifying hours

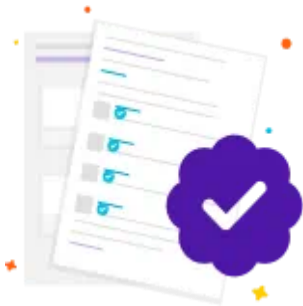

3

Complete and Submit Your PMP Application

- Set up your PMI account by registering in PMI.org
- Have your project management experience and training info (Step Two) ready to go.
- Take your time. The application is save-as-you-go, so you can take a break if needed

WHATs NEXT?

Your Application is Accepted

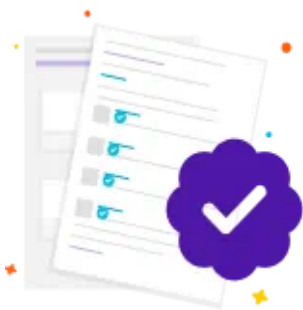

Once you verify your acceptance, you'll be ready to pay your exam fee:

- Member: \$284.00
- Non-Member: \$575.00

Commit to Your Study Plan

Now is the time to put your study plan into action

- Follow your study plan and practice
- Stay calm and envision your best outcome

What To Do in the Event of an Eligibility Audit?

If randomly chosen for an audit, you must provide the following to confirm your eligibility:

- Copy of Degree
- Verification of Experience signed by supervisor
- Certificate or Proof of 35 hours of project management training

6

Schedule Your Exam

After you pay, you can schedule your exam. Below are some helpful details about exam scheduling:

- You can take your exam at a Pearson Vue Testing Center (recommended) or securely online*
- You may attempt the exam up to three times in one year if you don't pass

Renewing your PMP Certification

- The PMP certification is valid for three years
- It can be renewed or maintained by earning 60 professional development units
- PDU 's defined as hours spent on accepted professional development activities—in that time frame.

What's on the PMP exam?

- 180 questions total
- 230 minutes (3 hours 50 minutes) to complete
- Two 10-minute breaks
- A combination of multiple-choice, multiple responses, matching, hotspot, and limited fill-in-the-blank questions

Provisional Score Report

Project Management Professional ®

Name: Anjali Shrivastav

Candidate ID: 8530286

Date of Examination: 20-Apr-2024

We are pleased to inform you that based on the preliminary assessment of your recent examination results, you have successfully passed the examination. Congratulations on this achievement!

Please note that this score report is provisional and subject to further review and verification. While you have met the minimum passing requirements, we are currently undergoing a thorough evaluation of the examination results to ensure accuracy and integrity. This review process includes verifying the scores and cross-referencing them with our records to confirm their validity.

Please note that the provisional status of this score report is subject to final validation including completion of the exam security process. Your official score and certificate will only be issued once the review process is complete and the scores are verified.

We anticipate that the review process will be completed typically within 48 hours, and you will receive your official score report at that time. In the meantime, if you have any questions or concerns regarding your results, please feel free to contact PMI at pmi.org/about/contact.

Once again, congratulations on your achievement!

THIS IS TO CERTIFY THAT
